

Reaction Timers –

How Far Will You Go?

Advancing science, technology and safety

*When daddy p****d on
the cat...*

Remember this?

Advancing science, technology and safety

*Which in some places is
now this:*

*Pimp
My Wee
Trolley*

*Evolved into ~~Keep~~ Go
Safe With Isaac*

*Evolved into ~~Keep~~ Go

Reaction Time and Stopping Distance

Reaction Time and Stopping Distance

*The most important school
experiment?*

Advancing science, technology and safety

- *5 Reaction Timers to each LA*
- *10 Spares at Road Safety Scotland*
- *60 given out through SSERC courses*
- *Initiative covers many CfE Experiences and Outcomes, not just in science.*

Relevance of the cat?
